Thoughtful Cruisers Yacht layout and quality - the leading feature of this 385 Motoryacht is its spaciousness both below and above deck. The model 385 offers an open layout with a roomy flybridge and boasts a two-stateroom and two-head floor plan designed for luxury cruising and comfortable overnight stays.

- Roomy flybridge with an open layout creating plenty of comfortable "outdoor" space (With enclosable canvas)
- Excellent visibility with double helm single seating and U-shaped lounge
- Two wing doors on aft deck leading to the side decks
- Two-stateroom accommodations (Forward stateroom, full beam master)

- stateroom, and mid-cabin suite with twin single berths)
- Two fully enclosed heads
- Well-lit salon with large table and U-shaped convertible sofa
- Neutral carpeted interior
- Full galley (Refrigerator, freezer, microwave, coffee maker)

- Ample counter and storage space with a tasteful wood cabinetry
- On-suite washer and dryer
- Easy engine room accessibility
- Generator
- Air conditioning and heating
- Radar, GPS, VHF, etc.
- And more!

Fully loaded to cruise with ease and comfort, this must-see 385 motoryacht holds an excellent value with its many features and additional upgrades from the previous owner which include:

- *Bow and stern thrusters for easy docking maneuverability
- \$4000 upgraded sound system
- New in-water LEDs
- Upgraded interior LEDs
- New sea deck flooring
- 3 televisions
