

## Regal Commodore 2005

This Regal 2860 is an amazing boat for entertaining for its size. It really feels like a 34 ft cruiser with its amazing layout. This model cruises really smoothly with its fastrac hull design making it the best in its class! This vessel features both a/c and heat and all the bells and whistles you need for a fun time out on the lake including windlass. This boat has been in freshwater her whole life and we want to keep it that way. with only 379 hrs on the volvo pentas she has loads of reliable life left in her. She has been a prized possession but its time for someone else to enjoy it!
