

## 2000 Sea Ray 340 Sundancer 34ft

The 340 Sundancer has a large cockpit, a well-appointed cabin, and a serious base power plant, to summarize Sea Rays finest sport cruiser. Designed for entertaining on a higher scale, the 340 Sundancer. features a Portside entertainment center complete with wet bar, cooler and ice-maker. An optional refrigerator is available in lieu of the ice-maker. The cockpit table converts easily to a spacious sun pad by inserting the matching filler cushions. With high-quality marine-grade vinyl, every seat is amazingly comfortable, from the adjustable helm seat with flip-up thigh-rise to the full aft-facing seat with a convenient storage base and cooler. There's also comfortable aft bench seating. Other standards include a self-bailing fiber glass cockpit liner, snap-in carpet, cockpit bolsters and more. Extra gear is neatly stored in an enclosed storage compartment located in the transom wall and equipped with a gas-assisted lid.

The Sea Ray 340 Sundancer is impeccably styled to a level only Sea Ray can achieve. A choice of three color schemes, a standard fiberglass sport spoiler and generous wood accents (including a wood-accent tilt steering wheel) conjure images of a fine yacht.

Year: **2000**

Current Price: **\$107,500.00 CAD**

Beam: **11.42 ft**

Total Power: **310 hp**

Dry Weight: **13,000 lb**
