Description

1990 Sea Ray 420 Sundancer – 45' Express Cruiser | Port Credit Marina
Asking: \$44,900 | Priced for Quick Sale | Sold As-Is

This is a rare opportunity to own one of Sea Ray's most iconic express cruisers at an honest price. Flour Power is a 45-foot, two-owner vessel that has lived her entire life indoors — no UV damage, no winter neglect — and it shows.

The engines are the story. Twin Mercury 454 (7.4L) V8s, fully rebuilt, with matched hours at approximately 1,390 each. These are fresh, powerful, proven gas engines — not tired originals with unknown history. Add a Westerbeke generator showing just 367 hours and you have a powerplant package that most boats in this price range simply can't touch.

She's fully set up for comfortable cruising and entertaining — large open cockpit with wet bar, air conditioning and heating, electric windlass, brand new canvas, and a well-appointed two-berth cabin with full galley. Whether you're weekend cruising on Lake Ontario or anchoring out overnight, this boat is genuinely liveable.

A marine survey was completed in 2020 by Port Credit Marine Surveys (available to serious buyers).

She is offered as-is, where-is — available immediately.
