Description

1996 Silverton 312 Sedan Flybridge – \$47,000 CAD

Location: Ajax, Ontario

Length: 31' | Beam: 11'9" | Engines: Twin MerCruiser 5.7L V8 (260 HP each, 1000 hrs)

Overview

This 1996 Silverton 312 Flybridge combines classic Silverton styling with the reliability and comfort that make it one of the most versatile cruisers in its class. Freshwater-kept and recently upgraded, this vessel shows the pride of ownership throughout.

A true turnkey option for anyone looking to enjoy weekends or extended stays on the water without the typical “project list.”

Highlights & Upgrades:

- New upholstery throughout cabin and cockpit (2024)
- Fresh bottom paint (2024) – ready for launch
- Engines rebuilt ~300 hours ago (approx. 1000 hrs total)
- New flooring in salon
- Flybridge Bimini top and radar arch in excellent condition
- Recently serviced stern drives & trim tabs
- Clean, dry bilge & well-maintained engine compartment
- Air conditioning, sound system & TV onboard

Layout:

A spacious aft deck with ladder access to the flybridge. The flybridge offers dual seating and full controls with clear sightlines — ideal for social cruising or docking ease.

Inside, the salon features a bright, open layout with an L-shaped dinette, starboard galley (stove, sink, microwave, refrigerator), and upgraded finishes throughout.

Forward, you'll find a private double berth, guest bunk, and a fully enclosed head with shower.

It's the perfect setup for a couple or small family looking for comfort and functionality on the water.

Survey Summary (July 2024)

- Structurally sound hull with dry moisture readings
 - Engines, wiring, and bilge components tested satisfactorily
 - All safety gear and electrical systems functional
 - Rated “well maintained and in seaworthy condition”
- (Survey available upon request.)

Performance:

Powered by twin 5.7L MerCruiser V8s, she cruises efficiently at 22–25 knots with solid handling and easy maneuverability.

This Silverton 312 Flybridge stands apart from older, unrefreshed listings — turnkey, freshwater, and ready for summer.
