## Description

1998 Maxum 3000 SCR – Air Conditioning, Twin MerCruiser Power, Extensive Recent Service

Well maintained, spacious, and fully equipped for comfortable cruising, this Maxum 3000 SCR delivers the ideal combination of performance, entertaining space, and overnight comfort. Known for its practical layout and dependable twin-engine performance, the 3000 SCR is a proven express cruiser perfect for weekend trips, family boating, or entertaining on the water.

Powered by twin 4.3L MerCruiser Vortec engines (200 HP each), this vessel provides smooth acceleration and confident cruising. Major recent service ensures peace of mind, including a brand new starboard engine installed in 2025 with only 30 hours, while the port engine has approximately 390 hours.

The cockpit is designed for socializing and comfort, featuring wraparound seating, cockpit table, sink, and full canvas enclosure, creating an ideal space for relaxing, dining, or entertaining guests.

Below deck, the well-appointed cabin offers everything needed for extended stays aboard, including air conditioning, a full galley, convertible dinette, private aft cabin berth, and forward sleeping area.

With numerous recent upgrades and maintenance completed, this boat is turn-key and ready for the upcoming boating season.
