## Description

1999 Cruisers Yachts 3750 Motoryacht

Spacious Aft-Cabin Comfort | Twin 7.4L Inboards | Great Lakes Cruiser

The 1999 Cruisers Yachts 3750 Motoryacht is a standout aft-cabin cruiser known for its generous layout, comfortable accommodations, and proven cruising performance. Designed for extended stays aboard or relaxed entertaining at the dock, the 3750 delivers the feel of a much larger yacht in a manageable, owner-friendly package.

With a wide beam, expansive salon, and two private staterooms, this vessel is ideal for Great Lakes cruising, seasonal living aboard, or weekend escapes with family and friends.

Comfortable, Open Interior

Step inside to a bright, inviting salon featuring large windows, warm wood finishes, and an open layout that feels spacious and welcoming. The salon offers a convertible sofa/sleeper, dinette, and full entertainment center — perfect for relaxing after a day on the water or hosting guests.

Below, the full galley is well-equipped for extended stays aboard with:

- Refrigerator/freezer
- Microwave
- Two-burner electric stove
- Generous cabinetry and counter space

The layout flows naturally from salon to galley to staterooms, making the boat feel more like a waterfront condo than a typical cruiser.

Two-Stateroom Layout

The aft master stateroom is full-beam and exceptionally comfortable, featuring:

- Island double berth
- Excellent storage throughout
- Private ensuite head
- Separate bathtub and shower

Forward, the guest stateroom provides another private double berth and its own entertainment system, along with access to a second head — ideal for guests or family.

## **Deck & Entertaining Space**

The aft deck is one of the highlights of the 3750. Covered by a hardtop and enclosed with wing doors, it offers a protected outdoor living space perfect for entertaining or relaxing in any weather.

### **Additional exterior features include:**

- Wet bar
- Molded steps to bridge and side decks
- Spacious flybridge with seating and excellent visibility
- Swim platform with ladder
- Cockpit shower
- Cushioned seating areas

Whether dockside or underway, the layout is designed for comfort and easy movement throughout.

## **Performance & Mechanical**

Powered by twin MerCruiser 7.4L MPI inboards, the 3750 offers reliable performance and smooth handling. The wide beam provides stability underway and comfort at anchor, making this a confidence-inspiring cruiser for owners and guests alike.
