Description

1999 Sea Ray 290 Sundancer – Freshwater Cruiser | Major Mechanical Upgrades | Turn-Key Package

This 1999 Sea Ray 290 Sundancer is a well-maintained freshwater boat with extensive recent upgrades, making it a reliable and comfortable cruiser ready for the season. Known for its solid deep-V hull and spacious layout, the 290 is one of Sea Ray's most popular mid-size cruisers, offering excellent performance and overnight capability.

The boat is powered by twin 260 HP Mercury fully rebuilt engines paired with Alpha II drives. The port engine has only 25 hours, while the starboard engine has just 5 hours, making the power package essentially new. Additional mechanical work includes new water pumps, starters, and exhaust manifolds, giving buyers peace of mind.

Performance is strong with a top speed of approximately 42 mph and a comfortable cruising range of 25–35 mph.
