Exterior:

The Formula 34PC features a sharp, well-crafted hull that is designed for smooth, stable handling in both calm and rough waters. With a generous beam of 11 feet 6 inches and a length overall (LOA) of 34 feet, the boat offers a spacious deck and cockpit area, ideal for lounging, entertaining, or enjoying a day on the water. The cockpit includes ample seating, a wet bar, and a propane bbq added convenience. The aftermarket extended swim platform provides ample space for barbequing, extra seating and swimming enjoyment. The helm is designed for ease of use, with a well-laid-out dashboard featuring modern instrumentation, a comfortable captain's seat, and ample visibility for navigation.

Interior:

The cabin of the 34PC is a luxurious and functional retreat, designed for comfort on extended cruises. A beautifully appointed salon features rich wood finishes, soft leather seating, and large windows that fill the space with natural light. The boat's forward stateroom offers a large, comfortable V-berth, while the mid-cabin provides additional sleeping space with a cozy double berth, providing room for up to four adults.

The galley is fully equipped with high-end appliances, including a refrigerator, stove, microwave, and sink, allowing for easy meal preparation while aboard. There is also a spacious dinette area for dining or relaxing indoors. A well-designed head compartment features a separate shower, ensuring guests can refresh during longer trips.

Performance:

With twin MerCruiser engines, the Formula 34PC delivers impressive performance on the water. It has a comfortable cruising speed around 30 knots, making it an ideal choice for those who seek both power and efficiency. The boat's deep-V hull ensures excellent stability and handling, providing a smooth ride even in challenging conditions.
