If you've been waiting for the cleanest, best-kept Silverton 380 Sport Bridge on the market this is it!

This 2005 380 Silverton is a freshwater-only vessel that's been pampered, upgraded, and kept in absolute mint condition.

This vessel has been meticulously maintained and is presented in exceptional condition. Every inch reflects pride of ownership, making it a truly turn-key luxury Flybridge. Whether you're cruising open waters or entertaining guests dockside, this Silverton delivers a five-star experience from bow to stern.

Guests will be surprised by the spacious interior—accessed through a stylishly curved salon door leading to a luxurious, cherry-accented cabin with large, opening, screened windows that flood the space with natural light. The salon features an Ultraleather convertible sofa facing a settee and high-gloss table, creating an inviting social area for relaxing or entertaining.

The open galley keeps the cook part of the conversation, while the roomy dinette provides plenty of space for dining with family and friends.

Forward, the master stateroom offers a queen-sized island berth, two hanging lockers, and private access to the split head — featuring a VacuFlush toilet and sink to starboard and a stall shower to port. The guest stateroom to port has twin berths that easily convert to a full-size bed, providing flexible accommodations.

Up top, the expansive flybridge—Silverton's hallmark—serves as the yacht's command center and social hub. With the Silverton SideWalk design, access to the foredeck is safe and convenient, providing the perfect layout for cruising and entertaining.

This 38 Sport Bridge has been lovingly maintained, always cared for with an open checkbook, and is in exceptional condition inside and out.
