Description

2008 Sea Ray 290 SLX

The 2008 Sea Ray 290 SLX is a premium high-performance bowrider built for exhilarating water sports as well as relaxed, comfortable cruising.

With generous seating and an open layout, it's an excellent choice for family outings and entertaining on the water.

Powered by twin MerCruiser 350 Magnum engines with just 35 hours of use, this 290 SLX delivers impressive speed and responsive handling, reaching top speeds of over 50 mph.

The cockpit is thoughtfully designed with plush seating, a wet bar, and a premium sound system for enhanced onboard enjoyment.

An enclosed head compartment with a VacuFlush toilet and hand basin adds convenience for longer trips.

Sleek, sporty profile — complete with a radar arch and extended swim platform — balances style with practical functionality.
