## Description

This 2010 Sea-Doo Challenger 230 is a high-performance jet boat powered by the desirable twin Rotax 255 supercharged engines, offering thrilling acceleration with the added safety of prop-free jet propulsion. A perfect blend of performance, control, and family-friendly design.

### Key Features & Highlights:

Twin Rotax 255 HP supercharged engines (premium option)

Low hours – only 170 hours

Freshwater use only

Jet propulsion — no props or outdrives (safe for swimmers & kids)

Spacious cockpit with wrap-around seating

Large integrated swim platform with reboarding ladder

Easy handling and great maneuverability around docks

Ideal for family cruising, watersports, and entertaining

Stored indoors in heated storage for the winter

Sea-doo tandem-axle trailer included

The Challenger 230 is well known for its low maintenance, safety-focused jet drive, and fun performance, and this example stands out thanks to its freshwater history, indoor storage, and strong engine package.
