HP: **500**

Length: **45 ft**

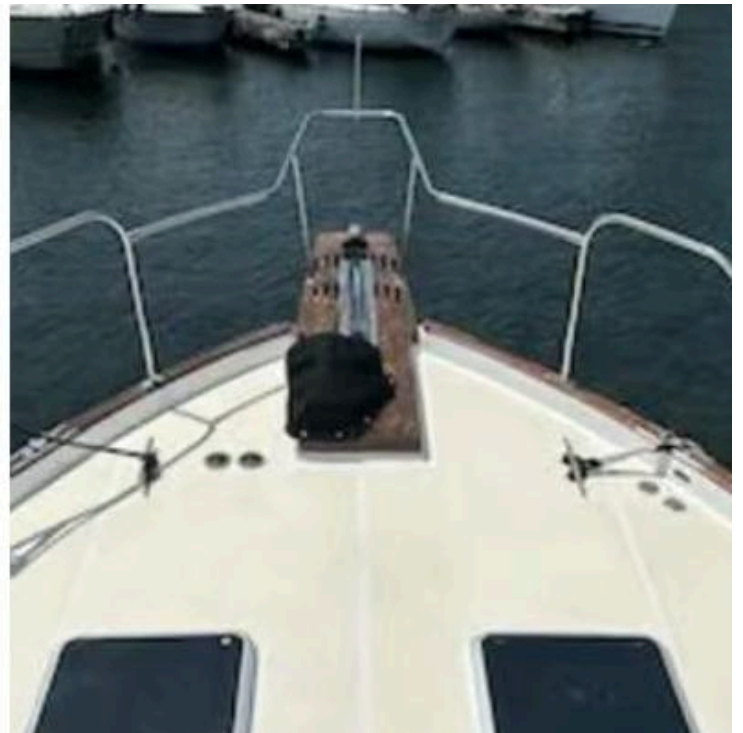

Location: **Canada**

No. of engines **2**

Year: **1990**

Class: **Motor Yacht**

Beam: **15 ft**

# Description

## 1990 Bayliner 4588 Motor Yacht

Liberte III is not simply a boat, she is a fully self-sufficient floating residence. This 45-foot Bayliner 4588 motor yacht offers a rare combination of space, livability, and true independence that sets her apart from anything else at this price point. Thoughtfully upgraded and designed for extended seasonal use, she is turnkey and ready for immediate enjoyment.

### What Makes Her Different

Most boats at this size offer comfort. Liberte III offers independence. An integrated multi-stage water filtration system produces potable drinking water directly from lake intake — no marina hookup required. Twin diesel engines, a 12.5kW Westerbeke generator, solar panels, and a Xantrex 3000W inverter mean this vessel can operate near fully off-grid. This is a boat you can live on.

### Key Highlights

- Twin Hino 6-393T diesel engines — 250 HP each / 500 HP total
- Inboard drive
- Westerbeke 12.5kW diesel generator
- 2x 250W solar panels with solar controller

- Xantrex 3000W inverter
- Self-sufficient liveaboard — water filtration produces potable water from lake intake
- Fully enclosed flybridge — extended seasonal use
- Enclosed aft cockpit — protected outdoor living
- New teak and holly flooring throughout salon, lower quarters, dressing room and pilothouse
- Expansive open-concept salon with panoramic windows
- Two full heads — master with both bath and shower
- Washer/dryer combo integrated into master suite
- Second cabin converted to walk-in dressing room with added storage
- Raymarine radar, log, speed and depth
- Garmin GPS and AIS
- Standard VHF radios (x2)
- Muir electric windlass
- 45 lb Rocna anchor with 100ft chain and 150ft rode
- Brand new unused dishwasher included
- Full tank of fuel included (approx. \$2,000 value)
- 2023 survey — rated above average condition

## Propulsion & Mechanical

- Engines: Twin Hino 6-393T, 6-cylinder diesel
- HP: 250 each / 500 total
- Drive: Inboard
- Propellers: Twin 4-blade bronze
- Shafts: 1-3/8" stainless steel with anodes
- Cooling: Fresh water via heat exchangers
- Fuel tanks: 2x aluminum, 120 US gallons each (240 US gal total), deck fill
- Racor fuel filters fitted
- Bilge pumps: 4x Sahara automatic electric

## Electronics & Navigation

- Raymarine radar
- Raymarine log / speed / depth
- Chart plotter
- Garmin GPS and AIS
- Standard Horizon VHF radios (x2)
- Azimuth and Ritchie compass
- Dual helm controls — upper and lower

- Holding tank: 28 US gallons
- Heads: 2
- Staterooms: 2 + walk-in dressing room
- Generator: Westerbeke 12.5kW diesel
- Survey: July 2023 — Crawford & Company — rated above average condition

## Condition

Liberte III has been professionally cleaned, maintained throughout the previous season, and winterized with care. The 2023 survey by Crawford & Company rated the vessel in above average condition with no requirements needing immediate attention — only minor recommendations. The stern area will require future attention and select canvas sections may need replacement or cleaning — both reflected in the asking price. Survey available to serious buyers.

Liberte III is a genuine opportunity to acquire a fully livable, self-sufficient motor yacht with the engines, systems, and space to support extended stays in comfort — on or off the dock. Twin diesel power, solar, generator, water filtration, full appliances, and a 2023 survey in above average condition — all at \$109,000 CAD with a full tank of fuel included.

Available for viewing by appointment. Currently on the hard. Contact us to arrange.
